FOR IMMEDIATE RELEASE

Firefly Vein Light® LLC awarded *vein finder equipment* agreement with Premier, Inc.

Chattanooga, TN – October 1, 2025 – Firefly Vein Light® LLC has been awarded a national group purchasing agreement for *vein finder equipment* with Premier, Inc. Effective October 1, 2025, the new agreement allows Premier Inc members, at their discretion, to take advantage of special pricing and terms pre-negotiated by Premier for the Firefly Vein Light® Model 2.0* and associated equipment/education.

“From day one, our goal at Firefly was to change healthcare for children and we are proud to have been awarded the vein finder equipment contract with Premier,” said Adam Banuelos, RN, BSN, Firefly Vein Light® LLC CEO and Co-founder. “We look forward to serving Premier members as we introduce Firefly to this network.”

Premier is a leading healthcare improvement company, uniting an alliance of approximately 4,350 U.S. hospitals and 325,000 other providers and organizations to transform healthcare. With integrated data and analytics, collaboratives, supply chain solutions, consulting and other services, Premier enables better care and outcomes at a lower cost.

Firefly Vein Light® LLC was founded by two pediatric ER travel nurses who had a dream of changing healthcare for children through innovation by creating a tool to increase success rates in pediatric vascular access. The Firefly Vein Light®, a portable transilluminator (vein light), was released in 2022 and has since become a preferred tool by nurses across the nation for their pediatric vascular access needs.
